LOOK BOOK

Discover the new Fingerbrush collection inspired by the 70s color palette paired with a timeless lookbook.

Embark on a nostalgic journey with «On the Road Again», our latest collection that captures the vibrant essence of the seventies. Romain Salvaggio & Fabrizio Castelano created a collection of four unique looks inspired by the color palette.

Meet Sierra with her bright orange bob, Lennon rocking a yellow blowout, Skye flaunting voluminous hairstyle, and Avery with an elegant blue updo

Fabrizio Castellano is a creative stylist, defines his style, infusing fresh ideas into fashion.

Heading the PASSAGE BLEU team, his approach to hairstyling and beauty is innovative and wide-reaching. He crafts trendy seasonal collections, introduces new techniques, and shares his knowledge in academies. Also, he's an ambassador for L'OREAL PROFESSIONNEL and a FEBELHAIR trainer.

Sierra

Meet Sierra turning heads with her intemporal bob that's as fiery as her free spirit. Her timeless bob cascades in a vibrant orange hue, reminiscent of a 70s sunset. For her, this is not just a hairstyle; it's a statement — a seamless blend of classic charisma while the bold color speaks to her fearless soul. Sierra's look is a celebration of individuality, inviting you to embrace the enduring allure of a look that's both iconic and refreshingly contemporary.

Sierra's intemporal bob is more than just a nod to the past — it's a beacon for the future of fashion.

Sierra
